Who is the Underwriting Agent?

In effecting this contract of insurance, Insurance Facilitators Pty Ltd ABN 90 099 104 480, AFSL No. 289450, will be acting under an authority given to it by the Insurer. Insurance Facilitators Pty Ltd will be acting as the agent for the Insurer and not for **You** as the Insured.

Our Contract with You

The contract is based on the information **You** gave **Us** when **You** applied for the insurance, and any subsequent information which **You** have supplied.

We will provide cover for those sections of the **Policy** **You** have selected and that are shown on **Your Certificate of Insurance**.

You must pay the premium and any relevant government charges for the **Period of Insurance** and comply with all of the **Policy** terms and conditions.

The **Policy**, any other declarations **You** make and any endorsement, amendment or alteration to **Your** cover will form the legal contract between **You** and **Us**.

Duty of Disclosure

This **Policy** is subject to the Insurance Contracts Act 1984 (Act). Under that Act **You** have a Duty of Disclosure.

Before **You** enter into an insurance contract, **You** have a duty to tell **Us** anything that **You** know, or could reasonably be expected to know, that may affect **Our** decision to insure **You** and on what terms.

You have this duty until we agree to insure **You**.

You have the same duty before **You** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **Us** anything that:

- I. Reduces the risk **We** insure **You** for; or
- II. Is common knowledge; or
- III. **We** know or should know as an Insurer; or
- IV. **We** waive **Your** duty to tell **Us** about.

Non-disclosure

If **You** do not tell **Us** anything **You** are required to, **We** may cancel **Your** Contract or reduce the amount **We** will pay **You** if **You** make a claim, or both.

If **Your** failure to tell **Us** is fraudulent, **We** may refuse to pay a claim and treat the Contract as if it never existed.

Agreements Affecting Rights of Subrogation

We will not pay a claim if, without prior agreement from **Us**, **You** make any agreement that will prevent **Us** from recovering the loss from a third party.

Interested Parties

We will not accept any financial interests over **Insured Crop Area** of any party other than **You**, unless **You** have notified **Us** of such interest and:

- Request the interest to be noted on the **Policy**
- Authorise **Us** to use that party's personal information about **You** in connection with that **Policy**.

We must have agreed and noted that interest on **Your Certificate of Insurance**.

That party is not covered nor do they become an Insured under the **Policy**. If the interests of another party have been noted on the **Policy**, then in the event of a claim **We** are obliged to enquire from that interested party whether the claim is subject to that interest. If so, **We** are obliged to first make payment of the claim to the interested party and thereafter make payment to **You** of the balance. A payment by **Us** to an interested party constitutes a discharge of **Our** liability to **You** under the **Policy** to the extent of that payment.

This is Not a Renewable Contract

Cover provided under this **Policy** will cease at expiry of the **Period of Insurance** shown on **Your Certificate of Insurance**. If **You** wish to arrange similar insurance with **Us** for the following season, **You** will need to complete the proposal sent to **You** and **We** will provide terms of cover for **Your** consideration.
